SUMMARY

Computer Science Engineering student skilled in Java, Python, Flask, OOP, RESTful APIs, and CRUD operations. Strong problem-solving skills with hands-on projects, seeking internship in software and backend development.

PROJECT

Weather App (JavaScript Project)

Personal Project • weather-app-shrawani.netlify.app • April 2026 – April 2026

- Created a **weather forecasting web application using API** to fetch real-time data. Displayed **live weather information based on user input**. Designed a **responsive user interface** for better user experience.

Expense Tracker (Flask Project)

Personal Project • github.com/shrawi10317/expense_tracker.git • March 2026 – April 2026

- Built a **web application for tracking income and expenses** using Flask. Implemented backend logic for data handling and processing. **Developed and applied CRUD operations** to manage financial records.

Smart Internship Portal (Flask Web Application)

Personal Project (Self-Developed) • github.com/shrawi10317/smart-internship-portal.git • February 2026 – March 2026

- Developed a **Flask-based web application** for internship management. Designed a responsive frontend using **HTML, CSS, and JavaScript**. Implemented backend routing and core logic using Flask. Built key features for data handling and user interaction.

EDUCATION

Bachelor of Technology – Computer Science Engineering

Prof. Ram Meghe Institute of Technology and Research • Badnera, Amravati, Maharashtra, India • 2028 • 8.68/10.0

- Active member of the IEEE Student Community. Participated in learning and technology activities and team-based work to improve technical knowledge and teamwork skills.

Diploma in Computer Engineering

Dr. Panjabrao Deshmukh Polytechnic • Amravati, Maharashtra, India • 2025 • 92.91%

- Completed Diploma in Computer Engineering with **92.91% score**, Department Topper and Institute Second Topper. Skilled in **Java and Python** with knowledge of OOP and problem-solving. Completed industrial training in Advanced Java and built projects to improve programming skills.

CERTIFICATIONS

Oracle Cloud Infrastructure (OCI) 2025 Certified AI Foundations Associate

Oracle • 2025

- Foundational knowledge of **Artificial Intelligence, Machine Learning, and Oracle Cloud Infrastructure (OCI)** and their cloud AI applications..

SKILLS

Programming Languages: Java, Python, JavaScript

Web Technologies: HTML, CSS, Flask

Databases: MYSQL
